Letter dated the 20th March 1929 from the President, Arkalgud Municipality, to the Deputy Commissioner, Hassan District

------

I beg to state that on the receipt of your Order Memo No 102-28 dated 9th March 1929 appointimg Mr Narayana Rao, Sanitary Inspector, Holenarsipur as Chief Officer, Arkalgud Municipality, I was asked by some of the Councillors to convene a meeting to consider the said order A meeting was convened on 19th March 1929 for this purpose but had to be adjouned to this morning, owing to want of quorum This morning 8 non officials and 2 officials were present at the meeting The protest against the order emanated from Vice President Mr Nagamma and seconded by Mr P Subbraya Setty one of the Councillors Mr Seshagiri Bhatta spoke in favour of the Order though at last he agreed to the resolution passed by the other members Even after the ~~previous~~ previous resolution passed on 13-12-28 none of the Councillors including the Vice President took any interest in Municipal affairs I am therefore of opinion that in order to remove all irregularities pointed out by the Asst Comptroller, and in the Deputy Commissioner's inspection notes of 24-12- 1929 and for the collection and revision of taxes a Chief Officer at least for a period of 6 months is absolutely necessary Mr Narayana Rao who reported himself to duty on 18-3-29 has been working since then

This Office Memo No 10M-28 dated 9th March 1929, appointing the Sanitary Inspector Mr H Narayana Rao as Chief Officer of the Arkalgud Municipality in persuance of G O No L 5625-6/ML 216-28-2 dated 15th February 1929

2 Arkalgud Municipal President's D O letter dated 20th March 1929 forwarding with his observations a copy of the resolution of the Municipal Council dated 20-3-29 protesting against the appointment of the Chief Officer

----

The Municipal Council represent that the defects noticed in the notes of the last inspection of the Municipal Accounts by the Asst Comptroller have been rectified and that the monthly accounts are being submitted regularly They say that all the registers prescribed as per Municipal Account Manual have been opened and the arrears of revenue are being collected They plead that the income of the Municipality being poor and the establishment charges already heavy, there are no funds to sink wells which are necessary and as such it is not possible to entertain the Chief Office The Ex-officio members disagre from this view and the Amildar President of the Municipal Council has reported that the appointment of the Chief Officer is necessary and Mr. Narayana Rao has reported him self for duty and has been working in the Municipality from the 18th March 1929

2 The contention of the Municipal Council is not tenable During the undersigned's inspection of the Municipal Office in February 1929 it was noticed that besides the defects noticed in the accounts by the Assistant Comptroller the working of the Municipality was any thing but satisfactory in several respect, and there has been no improvement shown so far as stated in the resolution of the Council under reference The appointment of the Chief Officer has been sanctioned by Government after due consideration of the finances of the Municipality and several other defects observed by the Assistant Comptroller and to improve the collection of taxes but also to over haul the affairs of the Municipality and improve the tone of its efficiency generally and bring it to a proper working condition.

As already pointed out, the present inefficient and neglected condition of the affairs of the Municipality was greatly due to utter slackness on the part of the executive, which cannot be ~~[illegible]~~ allowed to continue in future.

3 In these circumstances, the orders of Government should be carried out and the Chief Officer continued to work till the affairs improve. He should be given all facilities in his work and the progress made reported monthly.

4 The undersigned will inspect the Municipal Office when he next goes to Arkalgud and see how far matters will have progressed by then
